Promotion Concept

Kingfisher has been proudly affiliated with many marquee names such as the Indian Impress Motor Yacht, Indian Premiere League, and Kingfisher Airlines but starting March 28th, 2009 all eyes will be on the Kingfisher-sponsored Formula One Race Team **Force India**, as their new engines and gear boxes are powered by German manufacturer McLaren Mercedes.

The Kingfisher sponsored team will rev up their engines for the inaugural 2009 race in Melbourne Australia! Their second year on the circuit is full of promise and we are here to follow along and keep you updated.

For this reason we are proud to offer you a very exclusive Kingfisher race package that includes a promotional price on beer and is only available to certain venues that fit our criteria.

The venues that we are interested in are those that have a sports theme and more specifically a racing theme. Sports bars, pubs, theme restaurants and venues that bring something special such as a big screen projector or famous finger food or snacks are all ideal spots to hold a race night.

Below is the promo pricing limited to select venues/clients and the additional sponsorship promos we will provide.
